Fasten off and sew seam leaving bottom open. Turn right side out and stuff firmly.

Gather cast on stitches and draw up tightly. Weave ends into the duck.

NB: The seam is at the FRONT of the duck.

Beak

With orange, cast on 7 sts

St st 6 rows

Cast off

Fold in half right side out so that cast on and cast off edges come together. Place a stitch in each side to keep in place. Sew beak to the front of the duck as shown. Add two or three tufts in any colour, then using black yarn, use 3 small stitches for each eye.

Think of a name and attach a LYD Project label. Leave it in a public place for someone to find.
